**HOPE IS
HERE** **WHO WE ARE**
89.5FM | 89Q

89Q began in 1988 with a very small reach of 5,000 watts and a few volunteers. Today the airwaves reach from Minocqua to Plover, Shawano to Stanley. The fuel behind this ministry is our love to serve God and His people.

- *In the past year, 89Q was involved in 26+ events manned by staff and volunteers, that number is expected to easily double for 2018!*
- *2017 saw over 1119 Volunteer hours logged. We couldn't do what we do without our faithful volunteers.*

Why do people listen and get involved with 89Q?

'I was a faithful listener of 89Q, I enjoyed the music and on air programming—but it wasn't until I found myself truly needing the Hope and Encouragement the station offers, did I understand the extent of it's ministry impacting lives. I now see the mission of 89Q and will help in any way I can.'

'the music has an uplifting purpose not like main stream music. Hearing the announcers talk of their joys and struggles gives me a feeling of being connected.'

'89Q helps me get through the day'

89Q Radio continues to grow to be the Hope and Encouragement ministry for North Central Wisconsin. We regularly hear stories of how God has used the music, staff and volunteers to touch and change lives 'just when they need it most'.

As we continue to be a resource to the communities we serve and reaching more listeners — we have found ourselves truly stretched — this is good, but at the same time we have outgrown our physical location. After prayerful consideration the 89Q board of directors is moving towards the purchase of a 'home' for 89Q. The Golf Classic will be the first efforts to support a *stewardship campaign to set aside funds for much needed equipment upgrades.. If you believe in the ministry of 89Q would you consider becoming a financial partner in this stewardship campaign? Please contact Coy at 89Q 715.355.5151.*
